Customized Employment

T: 778.578.4271

Back in Motion has successfully delivered Customized Employment services (CE) to persons with disabilities since 2009.

As of April 1, 2014, we can help eligible WorkBC Clients find and maintain sustainable, paid employment that meets their interests, abilities and needs.

What does Back in Motion Offer?

- Extensive experience supporting Clients with disabilities obtain meaningful employment through the CE model and our programs for Persons with Disabilities
- Comprehensive, individualized support for Clients, and collaboration with Employers to create paid job opportunities, which meet the needs of both stakeholders
- Employment Specialists trained in delivering CE, who bring high quality expertise to their service delivery
- Established systems and structures, which support the effective delivery of CE
- Alignment with WorkBC's financial model, services purchasable under FSPS

Customized Employment Services

Placement Support - CE Services

Back in Motion delivers Placement Support services to assist Clients and Employers with customizing the best employment opportunities to meet their needs:

- Discovery Employment Profile Service
- Placement Support - Customized Employment Development: Part I & 2

Placement Support - Unpaid Work Experience

We can also support Clients to access relevant, meaningful, unpaid work experiences to help them gain skills to increase employment readiness. These include the following WorkBC services:

- Pre-placement/Agreement
- Monitor/Close out
- Agreement Amendments

Follow-up Services

These services are individualized to meet the needs of Clients and Employers. They include direct on-the-job support and guidance to successfully maintain Client-Labour Market attachment:

- Job Coaching
- Job Maintenance or Retention Services-
1-36 weeks and 37-48 weeks

Client Testimonials

"Customized Employment through Back in Motion was helpful to me in getting a job I enjoy doing. It may have taken me a long time to get a job on my own... I would recommend Customized Employment services to people who need help finding a job."

"I really want to thank my employment specialist for helping and organizing everything for me to be successful in the interview and getting the job. I would also recommend this to my friends or my family if they needed help too."

Wahid's Success Story

Wahid Yaqub celebrated his one year employment anniversary with JYSK in November 2013. JYSK management and staff have accommodated Wahid's needs, and he is growing in his position as a furniture assembler to include a customer service focus. His manager has expressed his overall satisfaction with Wahid's performance and is particularly impressed with the warm reception he gives customers while working.

Silas's Success Story

Silas Singh graduated from the Douglas College Light Warehouse Training Program and became a member of the London Drugs Stock Service team in June 2013. Silas's manager and coworkers continue to accommodate and support his communication and learning needs, as he becomes independent within his role. Both Silas and London Drugs are satisfied that the job is a good fit.
