

How did we do?

April - June 2015

- 178 clients started new jobs:
 - 65% of clients who started a job, did so in a field that uses the skills they gained through education or work experience before coming to Canada
 - 53% of clients who started a job were able to find employment at a level aligned with the job they had before coming to Canada
- The most common industry in which clients found employment include Healthcare (24%); followed by “Other” (12%), Business and Finance (10%), Hi-Tech (10%) and Retail (10%). Other clients found jobs in Law Enforcement, Education, Small Business, and Energy and Mining.
- Clients who secured positions related to or aligned with their previous experience include: Pharmacist, Account Manager, Clinical Instructor, Business Analyst, Real Estate Agent, Registered Nurse, Registered Nurse, Project Manager, Medical Lab Assistant and School Director.
- 100% of clients would recommend the Skills Connect Program to a friend
- The overall satisfaction score of clients who responded to the survey was 97.2%

Skills Connect along with all of its staffs were extremely nice. It's a great experience working with them achieving my goals.

SCI Client

My employment counselor, was very encouraging when my energy level was low in job search and career development

SCI Client

Satisfied and thankful to my counselor for giving me information from time to time. Thanks.
