

How did we do?

May 2013 - July 2013

- 156 clients started new jobs. This is a 37% increase from February to April 2013
 - 59% of clients who started a job, did so in a field that uses the skills he/she gained through schooling or work experience before coming to Canada
 - 54% of clients who started a job were able to find employment at a level aligned with the job they had before coming to Canada
- The most common industry clients found employment in was Healthcare (33%), followed by Business and Finance (12%) and Retail (11%). Some other fields clients found jobs in include Tourism, Hospitality, Education and High Tech
- Of clients who secured positions related to and aligned with their previous experience, some careers they found include: Electrical Engineer, IT Project Manager, Dermatologist, Care Aides, Machine Operator, Pediatric Ophthalmologist, and Wellness Coordinator
- 100% of Clients would recommend the Skills Connect Program to a friend
- The overall satisfaction score of all clients who responded to the satisfaction survey was 94.6%

Skills Connect is the best place for any newcomers who want to pursue their former chosen field.

SCI Client

I joined SCI and today I am successful in my field with their help.

SCI Client

Skills Connect helped me to decide my career path, supported me with tuition fees, and provided me with good job search training.
