- 95% of Clients felt prepared for the services received

How Did We Help?

- 52% of OR2 Clients received Job Site Visits
- 77% of Clients were fit to return to work upon program completion

“If it were not for the Back in Motion Program I do not believe I would have recovered as well as I have... Everybody here at Back in Motion went beyond my expectations in providing me with the necessary tools and knowledge to assist in my return to work... I would like to express a special thank you to my team, Bob, Stephanie and Robert for your patience and understanding for all my questions and concerns as they would arise... Keep up the quality work. It works.”

Robert P., Aug. 2014
